

Certificate of Conformity

Wool Adjacent Fabric

Standard	ISO 105-F01:2001
Batch	1236/0 (04/20/GM/106878)
Test Report	STFI 2020 1012 of 18th May 2020

DEK (Deutsche Echtheitskommission - German Colour Fastness Committee) is the manufacturer of the above-mentioned Wool Adjacent Fabric and regularly checks the production and stock for conformity to standards.

This certificate confirms the conformity to standards of the product obtained from DEK with the above batch number with regard to the requirements of ISO 105-F01.

This certificate is only valid with a corresponding proof of delivery from DEK or an official DEK sales partner.

Alexander Dietel
President of DEK
